

- To join you just have to click on the link or .
- The browser will then ask to open the Teams app. This is not necessary so just click "Cancel".

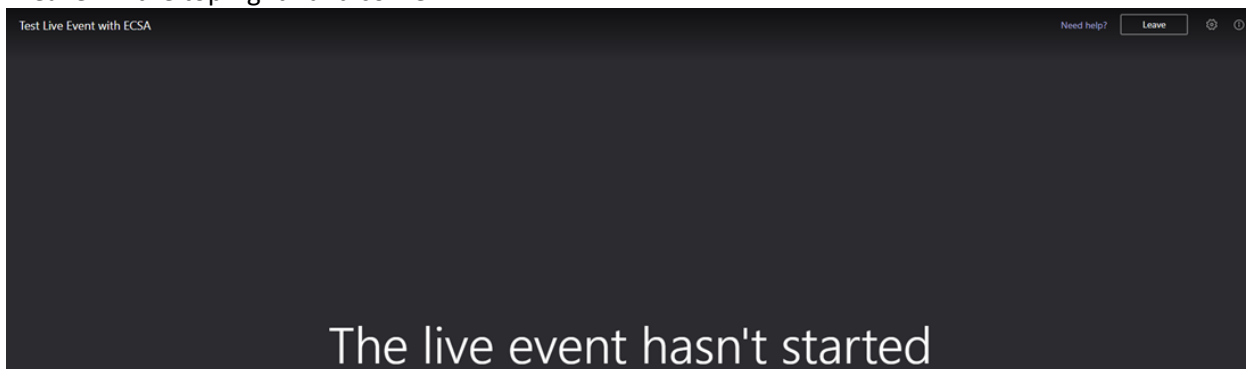

- Then click "Watch on the web instead" (I strongly recommend this to avoid any issues)

- On the next page, click on “Join Anonymously” or “Sign in” if you have Teams account and want ECSA to know who you are

- After this you will be redirected to the live event
- If you want to leave during the event, you can just close your browser (or Teams) or click on “Leave” in the top right hand corner.

**NOTE:** you will not be able to speak or send questions.

- After we end the live event you will get a video player in the browser so you can watch the event again if you want to.
