

European School Competition

Imagine the ship of the future!

To celebrate its 60th anniversary, European Shipowners | ECSA invites **young students aged 9–12 to join an European school competition** and show us their ideas for the ships of the future!

Unleash your imagination!

Get creative and design what you think a ship will look like in 60 years.

IMAGINE

How do I participate?

It's easy! **Create, paint, draw, sculpture or capture** what you think ships will look like 60 years from now.

Take a photo or share the artwork and ask your teacher to send it by email to:

euschoolcompetition@ecsa.eu

Important: Entries must be individual (one student per entry)

DESIGN

What is the prize?

The shortlisted students (**four entries in total**), together with their teacher and one parent, will be **invited to a special event in Cyprus on 29 April 2026** on the occasion of the meeting of the EU transport ministers. The winner will be announced during the event.

In addition, your artwork will be featured in a special booklet, showcasing all shortlisted projects!
